The Honorable Stuart Symington

Dear Stu:

Thank you very much for your note. I understand you are in Missouri. I hope you will be back in the not too distant future.

It was wonderful to have a visit with you in Germany. Rosemary and I were delighted to see you and we were particularly pleased to find both you and Evie looking so well and with such spark in your eyes!

We will have much in common in the future and I look forward to your counsel and advice.

Warm personal regards.

/S/ John
